Message From Chairperson

“Making India Sweeter & Greener”

Dear Shareholders,

In an era where there is a need for inclusive growth, the sugar industry is amongst the few industries that have successfully contributed to the rural economy. It has done so by commercially utilizing the rural resources to meet the large domestic demand for sugar and by generating surplus energy to meet the increasing energy needs of India.

In addition to this, the industry has become the mainstay of the alcohol industry. The sector supports over 50 million farmers and their families, and delivers value addition at the farm side. In general, sugarcane price accounts for approximately 70 percent of the ex-mill sugar price. The sector also has a significant standing in the global sugar space. The Indian domestic sugar market is one of the largest markets in the world, in volume terms. India is also the second largest sugar producing geography. India remains a key growth driver for world sugar, growing above the Asian and world consumption growth average.

The Company intends to significantly grow each of its businesses from this point onwards – through the quality of business and the quantum of business generated.

The Company will continue to balance its various integrated capacities – cane crushing, distillery and co-generation – in line with the increased inflow of cane from command areas. The balancing will result in the increased utilization of by-products generated for the next round of operations, enhancing organizational value.

Going forward, we will sustain our efforts to concentrate on manufacturing refined sugar and future projected sugarcane-based ethanol.

As we proceed to write the next chapters of our journey, I must reiterate that I am grateful for continued support of all the stakeholders. Your confidence in us has enabled us to steer our ship past the difficult challenges of the recent years.

Warm Regards,

Poonam Chouksey
Chairperson & Managing Director

Global Sugar Industry:

Global production for Marketing Year (MY) 2019/20 is forecast up 2 million tons to 181 million (raw value) as higher production in Brazil and the EU more than offset an 8-percent decline in India. Consumption (up for over 25 consecutive years) is expected to rise due to growth in markets such as Egypt, India, Indonesia, and Pakistan. With high demand, exports are forecast up and global stocks are forecast 8 percent lower on reductions in India, China, Pakistan, and Thailand.

U.S. production is forecast up 2 percent to 8.3 million tons due to expected reduced early-season harvested area that pushes a large proportion of crop-year production into the 2019/20 marketing year. Imports are 13 percent higher at 2.9 million tons based on projected quota programs and the calculation of U.S. Needs as defined in the amended Suspension Agreement. Record consumption is forecast up slightly on population growth while stocks are down 1 percent.

India's consumption is forecast at a record due to a growing economy. Exports are forecast at 3.5 million tons with total exports expected to include 1.0 million tons of sugar re-exported under the Advance Authorization scheme and the remaining 2.5 million as commercial sales. Stocks are down 4 percent but are more than double minimum stock requirements of around 3 month's consumption.

Indian Sugar Industry

Registering an overall growth rate of 6.7% in financial year 2017-18 (FY18), India regained its status as the fastest-growing economy in the world. With a \$2.597 Trillion GDP, it has outpaced France to become the sixth largest economy globally.

During the year, the Government of India executed several broad structural reforms. The landmark Goods and Services Tax (GST) was enforced from 1st July, 2017. Introduced on the heels of demonetization in 2016, GST sought to further formalise the economy. This unified tax regime eliminates the cascading effects of a multi-layered tax structure. The Government also pursued recapitalisation of public sector banks, the Insolvency and Bankruptcy Code/bill (IBC) and the Ujwal DISCOM Assurance Yojana (UDAY).

Sugar production is expected to be 32.2 MMT as compared to 20.2 MMT last year. This is due to a bumper production increase in the state of Maharashtra, Uttar Pradesh and Karnataka, which together produced 26.5 MMT vis-à-vis 15.1 MMT the previous year, a sharp rise of 11.4 MMT.

Outlook

A good monsoon in 2016 and 2017 had resulted in 45-50% increase in acreage in Maharashtra, while Uttar Pradesh witnessed an early start to the crushing season. With adequate rainfall, more planting and increased sugarcane acreage, the same trend is expected to repeat in 2019-20 season. According to initial industry estimate, sugar production is forecasted to be 35.0 MMT vis-à-vis last year's production of 32.2 MMT whereas the consumption is estimated at 25.7 MMT. Therefore, ending stocks of sugar shall continue to increase even in the year 2018-19 to 19.8 MMT, against 10.5 MMT of previous year unless India exports in large quantities to ease the extra stock burden.

Government Policy Initiatives

The Government of India took several steps in the current year to encourage the sugar industry and exports. In order to stabilise the domestic prices, the Government of India introduced policies to balance the supply and demand of sugar in domestic market. The Government of India later in the month of June 2018

reintroduced a monthly release mechanism for sale in domestic market. It also declared a minimum sale price of ₹29 per kg of sugar for the sugar mills. The Government of India allowed the exports of sugar under Duty Free Import Authorisation Scheme. It also announced a Minimum Indicative Export Quota (MIEQ) of 2 MMT across the industry. Import duty on sugar was increased to 100% and export duty of 20% was removed.

Segment Wise Performance

The Company operates in the single segment i.e. manufacturing of Sugar and the operational performance of the same is briefed in the Board's Report.

Risks & Concerns

Some of the risks that may impact the Company's operations are:

- Global fluctuations in demand and supply of sugar
- Macroeconomic factors that affect demand and supply of sugar, ethanol and power, including price fluctuations, interest rate volatility and adverse foreign currency movement (especially in countries where the Company conducts business)
- Seasonal uncertainties that impact the production of sugarcane
- Unfavourable shifts in government policies and regulations
- Increased cost of logistics
- Work stoppages owing to union strikes and other reasons
- High rate of attrition among employees

Internal Control System

The Company has formulated a well-defined and structured internal control system, commensurate to the size and nature of its business. Stringent procedures ensure high accuracy in recording, as well as providing reliable financial and operational information, while meeting statutory compliances and safeguarding assets from unauthorised use. The Company's internal team and an independent internal audit firm monitor the business operations and any deviations are immediately brought to the notice of the Management and Audit Committee for timely correction.

The Audit Reports, submitted by the Internal Auditors, are reviewed by the Audit committee. Any suggestion for improvements submitted to the Committee is considered and the implementation of corrective actions, wherever required, is followed up. Statutory and Internal Auditors are also invited to the Audit Committee meetings to ascertain their views on the adequacy of internal control systems. Periodically, the Board of Directors is informed of the same.

Human Asset Management

The Company's workforce is its biggest asset and central to its success through the years. People, across tiers, levels and functions, drive the Company's profitability through their sense of ownership and purpose. With dedicated human resource policies in place, the Company endeavours to provide a learning-oriented high-performance work culture. In this manner, it not only establishes a transparent and supportive work environment but also nurtures the holistic growth of employees in conjunction with that of the organisation. There are several training and development programmes conducted throughout the year to build capabilities and upskill staff members.

Environment, Health & Safety

The Company adheres to mandatory Environment, Health and Safety (EHS) requirements and is committed to adopting stricter standards wherever suitable. It is fully cognisant of its responsibility towards the environment it operates in and the welfare of the people it employs. Workers' safety is paramount and a comprehensive array of measures is implemented across all manufacturing locations to ensure the same.

Given the nature of the sugar industry, investments are consistently made to follow industry-leading effluent management practices and reduce the carbon footprint of the organisation. Besides, the two focus areas of the Company's sustainability initiatives are community healthcare and education

THE EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 ("THE ACT"), GIVEN HEREUNDER SETS OUT ALL MATERIAL FACTS RELATING TO THE SPECIAL BUSINESS OF THE ACCOMPANYING NOTICE DATED JULY 20, 2020

Item No 3: In accordance with the provisions of Section 148 of the Companies Act, 2013 ('the Act') and the Companies (Audit and Auditors) Rules, 2014 and the Companies (Cost Records and Audit) Amendment Rules, 2014 ('the Rules') the Company is required to appoint a Cost Auditor to audit the cost records of the Company.

On the recommendation of the Audit Committee, the Board of Directors at their Meeting has approved the appointment of M/s Sanjay Kasliwal & Associates, Cost Accountants, Bhopal (ICWAI Firm Registration No. 100888), as Cost Auditor to conduct the audit of the cost records of the Company for the Financial Year ended March 31, 2020 at a remuneration of Rs. 25,000/- (Rupees Twenty Five Thousand only) plus applicable taxes and reimbursement of out of pocket expenses at actuals, subject to approval by the members in the Annual General Meeting.

Accordingly, consent of the members is sought for passing an ordinary resolution as set out at Item No. 3 of the Notice for approval of remuneration payable to the Cost Auditor for the Financial Year ended March 31, 2020.

Item No 4: On the recommendation of the Nomination & Remuneration Committee, the Board at its Meeting held on November 12, 2019 appointed Mr. Kuldeep Mudgal as additional director in the capacity of Non-Executive Independent Director of the Company.

Further the Board has recommended the appointment of Mr. Kuldeep Mudgal as a Non-executive Independent Director of the Company, for the approval of members.

The Company has received from Mr. Kuldeep Mudgal (i) consent in writing to act as Director in form DIR-2 pursuant to Rule 8 of the Companies (Appointment & qualification of Directors) Rules, 2014 to the effect that he is not disqualified under sub-section (2) of Section 164 of the Act.

Except Mr. Kuldeep Mudgal and/or his relatives, no other Directors, Key Managerial Personnel of the Company and their relatives are concerned or interested, in any way, in the Resolution set out at Item No. 4 of this Notice.

Item No 5: On the recommendation of the Nomination & Remuneration Committee, the Board at its Meeting held on February 14, 2020 appointed Mr. Vinod Kumar Mudgal as additional director in the capacity of Non-Executive Independent Director of the Company.

Further the Board has recommended the appointment of Mr. Vinod Kumar Mudgal as a Non-Executive Independent Director of the Company, for the approval of members.

The Company has received from Mr. Vinod Kumar Mudgal (i) consent in writing to act as Director in form DIR-2 pursuant to Rule 8 of the Companies (Appointment & qualification of Directors) Rules, 2014, (ii) intimation in Form DIR-8 in terms of Companies (Appointment & Qualification of Directors) Rules, 2014, to the effect that he is not disqualified under sub-section (2) of Section 164 of the Act.

Except Mr. Vinod Kumar Mudgal and/or his relatives, no other Directors, Key Managerial Personnel of the Company and their relatives are concerned or interested, in any way, in the Resolution set out at Item No. 5 of this Notice.

Item No 6: The Chairperson informed that in order to facilitate fund raising in the future via right/preferential issue of equity shares of the company it is necessary to increase the authorized share capital of the company and to perform consequent amendments to the Memorandum of Association of the Company.

Increase in authorized share capital would necessitate amendment to clause V of Memorandum of Association of the company and require approval of members by passing as ordinary resolution.

Your Board of Directors therefore recommends the Ordinary resolution for approval of the members as set out in Item No. 6 in resolution.

None of the Directors, Key Managerial Personnel of the Company and their relatives are concerned or financially interested in the aforesaid resolution, however they may be deemed to be interested financially or otherwise to the extent of their directorship or their shareholding by them.

Item No 7: The Board subject to necessary approval(s) has approved the proposal for creation, offer, issue and allotment of 29146083 (Two Crore Ninety One Lakh Forty Six Thousand Eighty Three only) at a price of Rs. 2.05/- per equity share for an aggregate consideration of Rs. 5,97,49,471/- (Five Crores Ninety Seven Lakhs Forty Nine Thousand Four Hundred & Seventy One) by way of issue of equity shares on preferential basis to proposed allottees pursuant to its resolution dated 20th July 2020.

(l) Pricing & Undertaking to recompute the price:

The Equity Shares proposed to be issued pursuant to the Preferential Issue will be issued and allotted at a price not less than the higher of the following in terms of Regulation 164 & 165 of the SEBI Regulations:

- (a) the average of the weekly high and low of the volume weighted average price of the equity shares of the Company quoted on the recognized Stock Exchange during the 26 (twenty-six) weeks preceding the Relevant Date (as defined above); or
- (b) the average of the weekly high and low of the volume weighted average price of the Equity Shares of the Company quoted on the recognized Stock Exchanges during the 2 (two) weeks preceding the Relevant Date (as defined above).

(m) Justification for the allotment proposed to be made for consideration in cash with valuation report of the registered valuer:

A report of registered valuer has been obtained for computation of value of share (pricing) as required for

the Preferential Allotment, under the provisions the Companies (Share Capital and Debentures) Rules, 2014. Accordingly, the issue price of Rs. 2.05/- per Equity Share at which the Equity Shares are proposed to be issued and allotted is in compliance with the minimum issue price determined in accordance with Regulation 164 & 165 of the SEBI (ICDR) Regulations, 2009.

(n) Recomputation:

Given that the company has been listed for a period of more than 26 (Twenty Six) weeks as on the Relevant Date, no requirement to re-compute the price is applicable.

Section 62 of the Companies Act, 2013 read with the Companies (Share Capital and Debentures) Rules, 2014, provides, inter alia, that whenever it is proposed to increase the subscribed capital of a company by issue of further shares, such shares may be offered to any persons, whether or not those persons are holders of the equity shares of the company or employees of the company, if authorized by way of a Special Resolution.

Furthermore, as per Section 42 of the Companies Act, 2013 read with the Companies (Prospectus and Allotment of Securities) Rules, 2014, a company offering or making an invitation to subscribe to securities on a private placement basis, is required to obtain the prior approval of the Shareholders by way of a Special Resolution, for each of the offers and invitations.

The approval of the Members is accordingly being sought by way of a Special Resolution under Sections 42 and 62 of the Companies Act, 2013 read with the rules made there under, for the issue of Equity Shares to the proposed allottees aggregating an amount not exceeding Rs. 5,97,49,471/- (Five Crores Ninety Seven Lakhs Forty Nine Thousand Four Hundred & Seventy One) and to offer and allot such Equity Shares on a preferential basis.

Neither the Company nor any of its Promoters or Directors is a wilful defaulter;

The Directors/key managerial personnel of the Company or their respective relatives are deemed to be concerned or interested in the Resolutions mentioned at Item No. 7 of the Notice only to the extent of shares held by them, if any, in the Company.

Item No 8: In terms of the provisions of Section 180(1)(c), the shareholders of the Company have already accorded approval to the Board of Directors of the Company to borrow money/ moneys upto an amount of Rs. 100 Crores by passing a Special Resolution in the Annual General Meeting held on 30.09.2019.

With a view to convert the loan into equity shares of the company either in full or part in one or more tranches as may be decided by the Board from time to time and further in line with the regulatory changes in the recent past and as per the provisions of Companies Act, 2013, the Company has decided to pass a Special Resolution under Section 62(3) of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013 and Rules made there-under to enable the lenders (hereinafter referred to as the "Lenders") to convert the outstanding loans or any other financial assistance categorized as loans (hereinafter referred to as the "Financial Assistances"), already availed from the Lenders or as may be availed from the Lenders, from time to time, at their option, into equity shares of the Company upon such terms and conditions as may be deemed appropriate by the Board and at a price to be determined in accordance with the applicable Securities and Exchange Board of India Regulations (SEBI Regulations) at the time of such conversion.

Accordingly, the Board recommends the resolution as set out in Item No. 8, to enable the Lenders, in terms of the lending arrangements, entered/to be entered, and as may be specified by the lenders under the financing documents already executed or to be executed in respect of the Financial Assistances availed/to be availed, at their option, to convert the whole or part of their respective outstanding Financial Assistances into equity shares of the Company, upon such terms and conditions as may be deemed appropriate by the Board and at a price to be determined in accordance with the applicable SEBI Regulations at the time of such conversion.

Pursuant to provisions of Section 62(3) of the Companies Act, 2013, this resolution requires approval of the members by way of passing of a Special Resolution. Hence, the Board recommends the said enabling resolution for the approval of the members. None of the Directors and Key Managerial Personnel of the Company and their relatives may be deemed to be interested/concerned in this resolution, except to their respective shareholdings in the Company.

Item No. 9: the financial performance of the Company in the financial year ended 31 March, 2020 did not meet expectations and it is possible that the Company will also have inadequate profits in the financial year 2020-21

Under Section 197 of the Companies Act, 2013, if in any financial year a company has no profits or its profits are inadequate, payment of remuneration to its directors including any managing or whole time director (exclusive of sitting fees payable to directors) may be made only in accordance with the provisions of Schedule V. Section II of Schedule V to the Companies Act, 2013 provides that where in any financial year during the currency of tenure of a managerial person, a company has no profits or its profits are inadequate, it may without Central Government approval, pay remuneration to the managerial person not exceeding the limits set out below:

(1)	(2)
Where the effective capital is	Limit of yearly remuneration payable shall not exceed (Rupees)
i. Negative or Less than 5 Crores	60 Lakhs
ii. 5 Crore & above but less than 100 Crores	84 Lakhs
iii. 100 Crores & above but less than 250 Crores	120 Lakhs
iv. 250 Crores & above	120 Lakhs plus 0.01% of the effective capital in excess of 250 Crores.

Hence, consent of members is sought for payment of remuneration to Ms. Poonam Chouksey as may be decided by Board of Directors but not exceeding 84 Lakhs in case of no profits or its profits are inadequate.

The management of the Company believes that the remuneration proposed for payment to Ms. Poonam Chouksey is justified in terms of her role and contribution within the Company.

Accordingly, the Board recommends the resolution set forth in item no. 9, for the approval by the members of the Company by way of Special Resolution.

None of the Directors, Key Managerial Personnel and their relatives other than Mrs. Poonam Chouksey and her relatives are, in any way, concerned or interested in the said resolutions.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Parvati Sweetners and Power Limited** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on **31st March 2020** (Audit Period) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Company for the financial year ended on 31st March 2020 according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made there under;
- ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (Not Applicable to the Company during the Audit Period)
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2018;

CORPORATE GOVERNANCE PHILOSOPHY

Transparency and accountability are the two basic tenets of Corporate Governance which are integral part of our business and endeavour to ensure fairness for every stakeholder- our customers, investors, vendors and the communities wherever we operate. We always seek to ensure that our performance is driven by integrity, value and ethics. Responsible corporate conduct is integral to the way we do our business.

We, at PSPL, ensure that we evolve and follow the corporate governance guidelines and best practices. The norms and processes of Corporate Governance reflect our commitment to disclose timely and accurate information regarding our financial and operational performance, as well as the Company’s leadership and governance structure.

Our Board is responsible for shaping the long-term vision and policy approach to steadily elevate the quality of governance in our Organisation. We firmly believe that an active, well-informed and independent Board is necessary to ensure the highest standards of Corporate Governance to bring objectivity and transparency in the Management. This belief is reflected in our governance practices, under which we strive to maintain an effective, informed and independent Board. We keep our governance practices under continuous review and benchmark ourselves to best practices across the globe.

BOARD OF DIRECTORS

a) Composition of Board

The Board of Directors of the Company is the highest governance authority within the management structure of the Company. Further, the Board of Directors of the Company is totally committed to the best practices within the Company for effective corporate governance practices. INDEPENDENT AUDITOR'S REPORT

TO

THE BOARD OF DIRECTORS OF

PARVATI SWEETNERS AND POWER LIMITED

Report on the audit of the Standalone Financial Results

Opinion

We have audited the accompanying standalone IndAS financial statements of **PARVATI SWEETNERS AND POWER LIMITED** which comprise the Balance sheet as at March 31 2020, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit/loss including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Emphasis of Matter Paragraph

We draw attention to the following matters in the financial statement. Our opinion is not modified in respect of this matter.

- 1) Loans and Advance Given/Taken, Sundry Debtors/Creditors are subject to confirmation.
- 2) We are unable to obtain direct/indirect confirmation w.r.t Bank Accounts Balance totalling to RS 917233/-

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibilities for the Standalone Financial Results

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these [standalone] Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes

maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the [standalone] Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the [standalone] Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

Annexure 2 to the Independent Auditor's Report of Even Date on the Financial Statements of Parvati Sweeteners & Power Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

We have audited the internal financial controls over financial reporting of Parvati Sweeteners & Power Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning Of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of Standalone Financial Statements for the year ended 31st March 2020

(All amounts are in Indian Rupees unless otherwise stated)

A. Corporate Information

Parvati Sweetners & Power Limited (the Company) was incorporated as Parvati Sweetners & Power Private Limited on 13th December, 2011 and later converted into a Public Limited Company on 24th January 2012 and its shares are listed on Bombay Stock Exchange (BSE). Parvati Sweetners And Power Limited is a manufacturer of Sugar, and its by-products. The company has its registered office in Indore, Madhya Pradesh. The company has an Sugar, its by-products manufacturing plant at Village Sankhini, Tehsil Bitarwar, Dist : Gwalior.

B. Significant accounting policies**a. Statement of compliance**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015, read with section 133 of the Companies Act, 2013.

b. Basis of Preparation:

The financial statements have been prepared on accrual basis and under the historical cost convention except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The financial statements including notes thereon are presented in Indian Rupees ("Rupees" or "INR"), which is the Company's functional and presentation currency. All amounts disclosed in the financial statements including notes thereon have been rounded off to the nearest Rupee as per the requirement of Schedule III to the Act, unless stated otherwise.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

c. Inventories

Inventories are valued at lower of cost and net realisable value, except scrap are valued at net realisable value. Cost of inventory is arrived at by using Moving Average Price Method. Cost of inventory generally comprises of cost of purchase, cost of conversion and other cost incurred in bringing the inventory to their present location and condition.

By products and Saleable scraps, whose cost is not identifiable, are valued at estimated net realisable value.

d. Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually

defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company assesses its revenue arrangements against specific criteria, i.e., whether it has exposure to the significant risks and rewards associated with the sale of goods or the rendering of services, in order to determine if it is acting as a principal or as an agent. Revenue is recognised, net of trade discounts, and taxes, as applicable.

(i) Revenue recognition Sale of Goods

Revenue from Sale of goods is recognised at the time of transfer of substantial risk and rewards of ownership to the buyer for a consideration. It includes excise duty and cess and excludes GST, Sales Tax / VAT, Trade discounts and rebates.

(ii) Operation and Maintenance Income

Income from services is recognized as they are rendered (based on arrangement / agreement with the concern customers).

(iii) Dividend and Interest income

Dividend income from investments is recognised when the right to receive dividend has been established. Interest income recognised on accrual basis. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

e. Property, Plant and Equipment

(i) Property, plant and equipment

Recognition and measurement

Items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price inclusive of duties, taxes, after deducting trade discounts and rebates, incidental expenses, erection/commissioning expenses, borrowing cost, any directly attributable cost of bringing the item to its working condition for its intended use and costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate components of property, plant and equipment.

A fixed asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss.

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any, Free hold land is measured at cost.

The cost of property plant and equipment comprises its purchase price net of any trade discount and rebates, any import duties and other taxes, any directly attributable expenditure on the asset ready for its intended use including relevant borrowing cost.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with

the expenditure will flow to the company.

(ii) Capital work in progress

Assets under erection/installation are shown as "Capital work in progress", Expenditure during construction period are shown as "pre-operative expenses" to be capitalized on erection/installations of the assets.

(iii) Depreciation

Depreciation on fixed assets is provided in the manner specified in Schedule II to the Companies Act, 2013 except based on technical evaluation the useful life of Solar power generation plant is considered 25 years which is different from that prescribed in schedule II of the Act. Depreciation of an asset is the difference between Original cost / revalued amount and the estimated residual value and is charged to the statement of profit and loss over the useful life of an asset on straight line basis. The estimated useful life of assets and estimated residual value is taken as prescribed under Schedule II to the Companies Act, 2013.

Depreciation on additions during the year is provided on pro rata basis with reference to date of addition/installation. Depreciation on assets disposed /discarded is charged up to the date on which such asset is sold. Freehold land and Assets held for sale are not depreciated.

f. Intangible assets

Intangible assets are held at cost less accumulated amortisation and impairment losses. Intangible assets developed or acquired with finite useful life are amortised on straight line basis over the useful life of asset. The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible assets - Computer software are amortized over a period of 3 years.

g. Impairment of non-current asset

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use).

The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

h. Foreign currency transactions and translations

(i) All transactions in foreign currency are recorded at the rates of the exchange prevailing on the dates when the relevant transactions took place; any gain/ loss on account of the fluctuations in the rate of exchange is recognized in the statement of Profit and Loss.

(ii) Monetary items in the form of loans, current assets and current liabilities in foreign currencies at the close of the year are converted in the Indian currency at the appropriate rate of exchange prevailing on the dates of the Balance Sheet. Resultant gain or loss on account of fluctuation in the rate of exchange is recognized in the statement of Profit and Loss.

(iii) Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated in to functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

i. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments. When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favorable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

The Company has chosen to present grants related to an asset item as other income in the statement of profit and loss.

j. Employee benefits**Defined Contribution plan**

Provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense when an employee renders the related service.

k. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

l. Segment Accounting Policies

- (i) The company has disclosed business segment as the primary segment. Based on the criteria mentioned in Ind AS 108 "Operating Segment" the company has identified its reportable segments.

The Chief Operating Decision Maker (CODM) evaluates the company's performance and allocates resources based on an analysis of various performance indicators by operating segments. The CODM reviews revenue and gross profit as performance indicator for all of the operating segments.

The Company has no reporting segment

m. Leases**Company as a lessee**

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risk and rewards of ownership of the asset to the company. All the other leases are classified as operating leases.

Operating lease

Operating lease payments are recognized as expenditure in the Statement of Profit and Loss on a straight-line basis, unless another basis is more representative of the time pattern of benefits received from the use of the assets taken on lease or the payments of lease rentals are in line with the expected general inflation compensating the lessor for expected inflationary cost. Contingent rentals arising under operating leases are recognized as an expense in the period in which they are incurred.

n. Tax Expenses**Current tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

For operations carried out under tax holiday period (80IA benefits of Income Tax Act, 1961), deferred tax assets or liabilities, if any, have been established for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with the asset will be realised.

o. Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present legal or constructive obligation as a result of past events and it

is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the financial statements

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognized, but its existence is disclosed in the financial statements.

p. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

(i) Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(ii) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. On initial recognition, the company makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from

changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

(iv) Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

(v) Impairment of financial assets (other than at fair value)

The company assesses at each date of balance sheet whether a financial asset or a company of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

Financial liabilities and equity instruments Classification as debt or equity Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(vi) Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(vii) Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

(viii) Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to foreign exchange rate risks, including foreign exchange forward contracts.

(ix) Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in balance sheet when and only when, the company has a legally enforceable right to set off the amount and it intends, either to settle them on net basis or to realise the asset and settle the liability simultaneously.

q. Investment in Subsidiaries

Investment in subsidiaries are measured at cost as per Ind AS 27 – Company have no Subsidiary.

r. Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

s. Cash Flow Statement

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

t. Earnings per equity share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

u. Use of critical estimates, judgements and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

(i) Property, plant and equipment

On transition to IND AS, the Company has adopted optional exemption under IND AS 101. On Property, plant and equipment depreciation charged on cost amount less estimated salvage value.

Property, plant and equipment also represent a significant proportion of the asset base of the Company. Therefore, the estimates and assumptions made to determine their carrying value and related depreciation are critical to the Company's financial position and performance.

(ii) Intangibles

Internal technical or user team assesses the remaining useful lives of Intangible assets. Management believes that assigned useful lives are reasonable.

(iii) Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities.

The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

(iv) Contingencies

Management judgment is required for estimating the possible outflow of resources, if any, in respect of

Contingencies / claim/ litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(v) Allowance for uncollected accounts receivable and advances

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible. Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

v. Mandatory exceptions applied Standards issued but not yet effective

Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 was issued in February 2015 and establishes a five-step model to account for revenue arising from contracts with customers. Under Ind AS 115 revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The new revenue standard will supersede all current revenue recognition requirements under Ind AS. This standard will come into force from accounting period commencing on or after 1st April 2018. The company will adopt the new standard on the required effective date. During the current year, the company performed a preliminary assessment of Ind AS 115

Amendments to Ind AS 12 Recognition of Deferred Tax Assets for Unrealised Losses

The amendments clarify that an entity needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount.

Entities are required to apply the amendments retrospectively. However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening

retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity. Entities applying this relief must disclose that fact.

However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity. Ind AS 21, Foreign currency transactions

On March 28, 2018, Ministry of Corporate Affairs (“MCA”) has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 effective from April 1, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

These amendments are effective for annual periods beginning on or after 1 April 2018.

Note-39: 'Financial risk management objectives and policies

In its ordinary operations, the companies activities expose it to the various types of risks, which are associated with the financial instruments and markets in which it operates. The company has a risk management policy which covers the foreign exchanges risks and other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management policy is approved by the board of directors. The following is the summary of the main risks:

a) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates (currency risk) and interest rates (interest rate risk), will affect the companies income or

i) Interest rate risk

Interest rate risk is the risk the the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rate. Fair value interest rate risk The Company's exposure to the risk of changes in market interest rates relates primarily to the borrowing from banks. Currently company is not using any mitigating factor to cover the interest rate risk.

Particulars	For the Year ended 31st March 2020	For the Year Ended 31st March 2019
Interest rate risk exposure		
Borrowings from banks	32,84,29,726.00	26,28,44,802.00
Total borrowings	32,84,29,726.00	26,28,44,802.00

Interest rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rates for borrowing at the end of the reporting period and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in case of term loans that have floating rates. If the interest rates had been 1% higher or lower and all the other variables were held constant, the effect on Interest expense for the respective financial years and consequent effect on companies profit in that financial year would have been as below:

(b) Credit risk

Credit risk is the risk that arises from the possibility that the counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

Financial assets that are subject to such risk, principally consist of trade receivables, Investments and loans and advances. None of the financial instrumts of the company results in material concentration of credit risk.

Financial assets are written off when there is no reasonable expectation of recovery, however, the Company continues to attempt to recover the receivables. Where recoveries are made, these are recognised in the Statement of Profit and Loss.

The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation for each level is given below.

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.
