CHAIRPERSON PERSPECTIVE

“We positioned our company ahead of the curve; we focused on being opportunity ready”

“These challenges were temporary in nature and we are confident that we will rebound strongly as the restrictions in various states and regions have been eased and as the commodity cycle reverses. The structural improvements undertaken will accrue more long-lasting benefits which, along with the healthy balance sheet will help us to elevate the growth trajectory and performance metrics going forward”.

Dear Shareholder’s,

The year gone by has been extraordinary by any measure. The external challenges of the COVID-19 pandemic, increase in the cost of raw material and other adverse operating conditions prevailing through the year led to internal disruptions. Economic conditions were uncertain and customer sentiments ebbed and flowed with each passing week and month.

The COVID-19 pandemic has had a significant impact on India’s economic activity during the year 2020-21, owing to the nationwide lockdown announced by the Central and State Governments to contain the spread of the virus. Majority of the industries in India have been adversely impacted because of a sharp drop in domestic demand and exports. As per the Economic Survey 2020-21, Indian economy is expected to witness a pandemic-driven contraction of 7.5 per cent in FY 2020-21.

However, being engaged in the manufacturing of essential commodities enabled us to continue our operations even during the lockdown period. I am proud of how Parvati Sweetners and Power Limited (“PSPL”) has stood tall to the challenges of Covid-19, despite the devastating effect it has had on businesses around the country. The pandemic has taught us to appreciate the people around us and be prepared for the unexpected. We at PSPL have withstood these demanding circumstances and survived to emerge stronger and better.

Sugar industry remains a key driver of economic empowerment in rural belt of our country. The inherent source of sugar industry as an inclusive growth-driver cannot be ignored. Having been at cross-roads for years, we feel that, as the largest agro-based industry, it has got traction and positive cues to emerge as a value-accretive industry across its value-chain of system.

The COVID-19 pandemic posed major challenges to the sugar industry, causing supply chain and logistic disruptions. The sugar demand was also impacted from reduced sugar consumption after the pandemic.

On the ethanol front, we are looking towards capitalizing the opportunity of India’s target of attaining 20% ethanol blending by 2025. Government is encouraging the production of ethanol from sugar producers, making its production more commercially viable and attractive. We plan to setup Ethanol plant & Power Co-generation Plant in the coming years, which will give the Company a major foothold.

In such challenging times, we have emerged out stronger than ever. Since reopening of economy in the second half, our team has demonstrated exemplary abilities to ensure we bounce back faster. We also implemented ‘work from home’ model, prioritising the safety of our employees and their families

Lastly, I would like to express my heartfelt appreciation to everyone at PSPL for their commitment, passion and hard work. Our business is positioned to grow from the sustained investments we have made in recent past. Favourable regulatory policies and growing consumer demand for products across our sugar value-chain make us optimistic for sustained business performance . I would also like to thank our valued shareholders, employees, customers, suppliers, distributors and bankers for their constant support and belief in us.

Poonam Chouksey
Chairperson and Managing Director

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Global Economy Overview

The deadly Pandemic which has been furiously raging for the past year has the capacity to seriously alter the Economic landscape not only of India but of the whole world. The global economic output witnessed a contraction of 4.3% in 2020 and has wreaked havoc on the global economic activity and is likely to result in long-term socio-economic consequences.

The developed economies have been hit the hardest with the output decline of 5.6% due to the stringent lockdown measures that were imposed during the outbreak¹. On the other hand, the impact was comparatively milder in the developing countries and least developed countries (LDCs) with output decline of 2.5 per cent and 1.3 per cent respectively in 2021. Moreover, the pandemic has resulted in huge job losses because of absolute or partial lockdown measures impacting communities across the globe.

In response to the crisis, economies have resorted to fiscal as well as monetary interventions. To increase liquidity and maintain financial stability, many central banks undertook additional monetary and prudential measures. To neutralize financial market pressures caused by covid-19 pandemic, central banks in the Emerging Markets and Developing Economies (EMDEs) are considering purchasing assets including government bonds to support economic activity. Fostering education, sectoral reallocation, effective public investment, and improved governance can compensate the covid-19 pandemic's traumatizing effects and set the foundation for advanced long-term growth. Investment in green infrastructure plans can provide additional aid to sustainable growth in addition to promoting climate change alleviation. We hope all these measures should help in Economic recovery in the world going forward.

Indian Economy Overview

The Financial year 2020-21 started with the economic uncertainty due to the lockdowns imposed in the country as a result of Covid-19. Government revenues were hit hard due to significant reduction in economic activities. All the economic activities barring essential services and agriculture were suspended. The start of the year was full of uncertainty as to when and how things would pan-out in terms of lives and livelihood. However, India managed the health crisis well with the available infrastructure.

The Government initiated several measures to minimize the impact of the pandemic, protect the lives of the country's citizens and revive the economy. The Government also announced a comprehensive COVID relief package of Rs. 20 trillion (equivalent to 10% of India's GDP) in May 2020 as a part of Atmanirbhar Bharat Abhiyaan which included a mix of cash spending, liquidity support to agriculture, MSMEs and other critical sectors, along with various structural reforms across sectors.

The Economic Survey 2020-21 estimated a 'V-shaped' recovery of the economy with India's real GDP estimated to record 11.0% growth in FY2021-22 the highest since Independence. The V-shaped economic recovery is supported by the initiation of a mega vaccination drive with hopes of a robust recovery in the services sector and prospects for robust growth in consumption and investment. As per IMF India is expected to emerge as the fastest growing economy in the next two years. However, the second wave of COVID-19 in April 2021 is seen as posing risks to economic recovery, with Care Ratings revising its forecast for GDP growth to 10.2% in FY 2021-22 from an earlier projection of 10.7-10.9%.

Impact of COVID-19

The spread of COVID-19 has severely impacted businesses around the globe. In many countries, including India, there has been severe disruption to regular business operations due to lockdowns, disruptions in transportation, supply chain, travel bans, quarantines, social distancing and other emergency measures.

The Company being a Manufacturing Company is primarily engaged in the business the sugar mills in India were projected to produce a total of 14070 Metric Ton of sugar in the sugar season 2020-21, 30% more when compared to 10826 Metric Ton produced during the same period in the 2019-20 season. India is expected to retain its position as the largest consumer and second largest producer of sugar in the world. Over the last 2 years, India has reached a new production threshold level above consumption. The fixing of sugarcane prices by the government to support farmer incomes, coupled with the fixed minimum domestic sugar prices, catalysed the country's production to reach new benchmarks

In view of the above, the Company has taken into account all the possible impact of known events arising from COVID-19 pandemic in the preparation of these financial statements. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration. The Company will continue to closely monitor any material changes to future economic conditions.

Outlook

Parvati Sweetners and Power Limited (hereinafter referred as 'the Company' or PSPL) incorporated in 2011. Parvati Sweetners and Power Limited are among the premier sugar mills of India. The Company is a broad based and integrated sugar company with extensive interests in sugar. Over the years, the proportion of revenues in the overall revenues of the Company has increased, broadening the Company's profile and strengthening its counter cyclicity. The Company's operations have been marked by the element of 'stretch', reflected in the ability to generate more from less. The result is that the Company is a resource-respecting organisation with corresponding improvements in recovery, operating efficiency, cost management, gearing, cash flows and operating margins. The result is that the Company has been a prominent value-creator in the country's agriculture sector.

Going forward, the Company intends to invest in installing a new advanced Ethanol Plant and Power Generation Plant to generate more power with less steam. The Company intends to maximize efficiency and improve its Financial Position through expansion. For a growing nation like India, achieving energy security and the transitioning to a thriving low carbon economy is critical. To strengthen India's energy security, blending locally produced ethanol with petrol will help which will also enable local enterprises and farmers to participate in the energy economy and reduce vehicular emissions. Ethanol continues to be main focus of Government of India. The Government has increased the price of ethanol extracted from sugarcane juice from H 59.48 per litre to H 62.65 per litre. The rate for ethanol from C-heavy molasses has been increased from H 43.75 per litre to H 45.69 per litre and that of ethanol from B-heavy from H 54.27 per litre to H 57.61 per litre. The Centre has also set a target of 10% ethanol blending by 2022 and 20% ethanol blending by 2025 and is providing incentives to sugar mills to help achieve this goal.

Opportunities

In FY 2020-21, the central government allocated H3,500 Crore to reduce surplus in the domestic market and help cash-strapped mills clear its dues to cane farmers in to achieve the six Million tonne target set for sugar exports in the country. In the marketing year 2020-21, H5,361 Crore was provided to the millers by the government as export subsidy against its announcement of H10,448 per tonne in FY 2019-20. Around 5 Crore farmers and their dependents, and five Lakh workers employed in the sugar sector, benefitted through this initiative. The government, through this subsidy, aims to cover the marketing costs of sugar mills, including handling, upgrading and other operational costs, international and domestic transportation costs, and freight on exports, which will have a key effect in achieving the six Million Tonnes export target. 28. THE INTRUCTIONS FOR E-VOTING ARE AS UNDER:

Members are requested to carefully read the below mentioned instructions.

- (i) The voting period begins on **19th September, 2021 (Sunday) and ends on 21st September, 2021, (Tuesday)**. During this period shareholders 'of the Company, holding shares either in physical form or in dematerialised form, as on the cut-off date (record date) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Item No 3:

In accordance with the provisions of Section 148 of the Companies Act, 2013 ('the Act') and the Companies (Audit and Auditors) Rules, 2014 and the Companies (Cost Records and Audit) Amendment Rules, 2014 ('the Rules') the Company is required to appoint a Cost Auditor to audit the cost records of the Company.

On the recommendation of the Audit Committee, the Board of Directors at their Meeting has approved the appointment of M/s. Sanjay Kasliwal & Associates, Cost Accountants, Bhopal (ICWAI Firm Registration No. 100888), as Cost Auditor to conduct the audit of the cost records of the Company for the Financial Year ended March 31, 2022 at a remuneration of Rs. 25,000/- (Rupees Twenty Five Thousand only) plus applicable taxes and reimbursement of out of pocket expenses at actual, subject to ratification by the members in the Annual General Meeting.

Accordingly, consent of the members is sought for passing an ordinary resolution as set out at Item No. 3 of the Notice for ratification of remuneration payable to the Cost Auditor for the Financial Year ended March 31, 2022.

Item No. 4:

The Nomination and Remuneration Committee (NRC) and Board of Directors at their meeting held on 10th February, 2021 have appointed Shri Rohit Bhatnagar (DIN: 08232760) as an Additional Director under the category of the Independent Director of the Company pursuant to Section 161 of the Companies Act, 2013 ; subject to the approval of Members at General Meeting.

The Company has received from Shri Rohit Bhatnagar (DIN: 08232760) a consent in writing to act as director in Form DIR-2 pursuant to Rule 8 of Companies (Appointment & Qualification of Directors) Rules, 2014 along with the intimation in Form DIR-8 in terms of Companies (Appointment & Qualification of Directors) Rules, 2014, to the effect that he is not disqualified under sub-section (2) of Section 164 of the Companies Act, 2013, and a declaration to the effect that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Companies Act, 2013.

The resolution set out in Item No. 4 seeks the approval of members for the appointment of Shri Rohit Bhatnagar (DIN: 08232760) as an Independent Director of the Company for a term of 5 (five) consecutive years w.e.f. 10th February, 2021 till 9th February, 2026; pursuant to Section 149 and other applicable provisions of the Companies Act, 2013 and Rules made there under.

His office shall not be liable to retire by rotation. The brief profile of Shri Rohit Bhatnagar (DIN: 08232760) is given hereunder the details of the directors seeking Appointment/Re-appointment.

In the opinion of the Board of Directors, Shri Rohit Bhatnagar (DIN: 08232760) proposed to be appointed as Independent Director fulfils the conditions specified in the Act and the Rules made there under and he is independent of the Management.

None of the director, key managerial personnel or their relatives, except Shri Rohit Bhatnagar (DIN: 08232760), being the appointee, is interested or concerned in the resolution.

The Board recommends the Special Resolution as set out in Item No. 4 of this Notice for approval of Members.

Item No. 5 & 6

Section 180 (1) (c) and Section 180 (1) (a) of the Companies Act, 2013

To support Company's business operations, the company requires funds and these funds are generally raised from various Banks and/or Financial Institutions and/or any other lending institutions and/or foreign lender and/or any other body corporate/entity/entities and/or authority/authorities and/or through suppliers credit, any other securities or instruments, such as floating rate notes, fixed rate notes, syndicated loans, debentures, commercial papers, short term loans or any other instruments etc. and/or through credit from of official agencies and/or by way of commercial borrowings from the private sector window of multilateral financial institution, either in rupees or in such other foreign currencies as may be permitted by law from time to time, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) may exceed the aggregate of the paid-up capital and the free reserves of the Company. Hence it is proposed to increase the maximum borrowing limits upto Rs.500 crore (Rupee Five Hundred Crore only).

In term of section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any one time except with the consent of the members of the Company obtained by mean of passing a special resolution in a general meeting.

Further, to secure the borrowing made by the Company, the company is generally asked to create charge on certain assets or whole of the undertaking of the Company. Section 180(1)(a) of the Companies Act, 2013 empowers the Board of Directors to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the general meeting.

Hence, it proposed to seek necessary members approval to borrow money from any bank, financial institutions, bodies corporate or business associates or through permitted channel in excess of paid up capital and free reserves of the company by a sum not exceeding Rs. 500 Crore and creation of security through mortgage or pledge or hypothecation or otherwise or through combination for securing the limits as may be sanctioned by the lenders, for the loans to be sanctioned by any one or more company's bankers and/or by any one or more persons, firms, bodies corporate, or financial institutions or banks, the Company would be required to secure all or any of the Current assets, moveable properties of the Company present and future.

The resolution as set out at item No. 5 & 6 of the notice is placed for your approval of the aforesaid limits of borrowing by the board up to an amount not exceeding Rs. 500 crore.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 & 6 of the Notice, except to the extent of their Shareholding, if any.

Item No. 7

Authorization to make loan and investment exceeding the ceiling prescribed under Section 186 of the Companies Act, 2013

Pursuant to the provisions of Section 186(2) of the Companies Act, 2013 ('Act'), the Company shall not directly or indirectly: - (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred percent of its free reserves and securities premium account, whichever is higher.

Pursuant to the provisions of Section 186 (3) of the 'Act', where the giving of any loan or guarantee or providing any security or the acquisition of securities exceeds the limits specified in Section 186 (2) of the 'Act', prior approval by means of a Special Resolution passed at a General Meeting is necessary.

In terms of Rule No.11 (1) of the Companies(Meeting of Board and its Powers) Rules ('Rules'), where a loan or guarantee is given or security has been provided by a company to its wholly-owned subsidiary or a joint venture, or acquisition is made by a holding company, by way of subscription of securities of its wholly-owned subsidiary, the requirement of Section 186 (3) of the 'Act' shall not apply, however it will be included for the purpose of overall limit.

In line with the long term objectives of the Company and for expanding its business further, the Company may be required to give loans or guarantees or make investments in excess of the limits specified in Section 186 (2) of the 'Act'. And accordingly, it is proposed to seek prior approval of Members vide an enabling Resolution to provide loans, guarantees and make investments up to a sum of Rs. 500 crore (Rupees Five Hundred Crore) over and above the limits specified in Section 186 (2) of the 'Act' at any point of time.

The resolution is accordingly recommended for approval of the Members by way of a Special Resolution.

None of the Directors or Key Managerial Personnel of the Company and/or their relatives is concerned or interested, financially or otherwise, in the resolution set out at Item No. 7 of the Notice, except to the extent of their shareholding, if any.

Item No. 8

Approval for giving loan and guarantee or providing security in connection with loan availed by any specified person under Section 185 of the Companies, Act, 2013

As per the provisions of Section 185 of the Companies Act, 2013, no company shall, directly or indirectly, advance any loan including any loan represented by a book debt, business advance, advance for securing supplies of services/goods on a future

date to any of its Directors or to any other person in whom the Director is interested or give any guarantee or provide any security in connection with any loan taken by him or such other person.

However, in order to promote ease of doing business, the entire Section 185 of the Companies Act, 2013 has been substituted vide Companies (Amendment) Act, 2017 and the same was notified by the Ministry of Corporate Affairs on 7th May, 2018. In terms of the amended Section 185 of the Act, a company may advance any loan, including any loan represented by a book debt, to any person in whom any of the Directors of the Company is interested or give any guarantee or provide any security in connection with any loan taken by any such person, subject to the condition that approval of the shareholders of the Company is obtained by way of passing a Special Resolution and requisite disclosures are made in the Explanatory Statement.

The management is of the view that the Company may be required to invest funds in joint ventures, strategic alliance and other entities in the normal course of its business, make business advances or otherwise, give guarantee or provide any security in connection with any loans/debentures/bonds etc. raised by its associate or wholly owned subsidiary or to any other body corporate(s) in which the Directors of the Company may be interested, as and when required.

Sr. No.	Name of the Company /Body Corporate in which directors are Interested	Name of the interested director's	Maximum amount upto which loan/ guarantee/ security may be provided by the company.

5.	M/S. Jayant Jaggery Products Private Limited	Shri Ashish Jaiswal	

Hence, as an abundant caution, the Board decided to seek approval of the shareholders pursuant to the amended provisions of Section 185 of the Act to advance any loan, including any loan represented by book debt, to its subsidiary company(ies) (Indian or overseas) or other body corporate(s) in whom any of the Directors of the Company is interested or to give guarantee or provide any security in connection with any loans/debentures/bonds etc. raised by its subsidiary company(ies) (Indian or overseas) or other body corporate(s) in whom any of the Directors of the Company is interested up to an aggregate amount of approved by the shareholder of the Company under Section 186 of the Company Act, 2013 over and above the limit of 60% of the paid-up share capital, free reserves and securities premium account of the Company or 100% of free reserves and securities premium account of the Company, whichever is more.

The Board of Directors recommends resolution for approval of the members of the Company by way of passing a Special Resolution.

None of the Directors, Key Managerial Personnel and their relatives other than Ms. Poonam Chouksey, Mr. Ashish Jaiswal, Mr. Anupam Chouksey, Mrs. Pooja Shri Chouksey and her relatives are, in any way, concerned or interested in the said Resolutions.

Item No. 9

Approval for Related Party Transactions under section 188 of the Companies Act, 2013

To ensure uninterrupted operation, approval of the shareholders is being sought, to enter into related party transaction(s) with related party(s) as defined under within the meaning of Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI Listing Regulations, to purchase and sale of goods and material for an amount of Rs. 50 crore during Financial Year 2021-22.

Sr. No.	Name of the Related Parties	Name of the director or kmp who is related	Nature of relationship	Nature of Transaction	Maximum amount upto may be entered for contract / transaction by the company.
1.	M/S. Vitamax Healthcare Private Limited	Smt. Poonam Chouksey Shri Anupam Chouksey Smt. Pooja Shree Chouksey	Directorship and Shareholding	Purchase & Sale of Goods Supply of Services	Rs. 50 Crores Overall
2.	M/S. Ananjay Pharmaceuticals Private Limited	Smt. Poonam Chouksey Shri Anupam Chouksey Smt. Pooja Shree Chouksey	Directorship and Shareholding		
3.	M/S. Ananjay Construction And Contracts private Limited	Smt. Poonam Chouksey Shri Anupam Chouksey Smt. Pooja Shree Chouksey	Directorship and Shareholding		
4.	M/S. Ananjay Softek Solutions Private Limited	Smt. Poonam Chouksey Shri Anupam Chouksey Smt. Pooja Shree Chouksey	Shareholding		
5.	M/S. Jayant Jaggery Products Private Limited	Shri Ashish Jaiswal	Directorship and Shareholding		
6.	M/S. Kalchuri Contractor's Limited	Smt. Poonam Chouksey Shri Anupam Chouksey Smt. Pooja Shree Chouksey	Directorship and Shareholding		

Background and Details of the Transaction:

Cost effective and assured supply of goods/services, of desired quality, is a key requirement for the Company. The Company intends to procure material from related party(s) to have consistent control over quality of the supplies.

This transaction will not only help the Company to ensure wholesale and retail trading of business operations smoothly but also ensure consistent flow of desired quality and quantity of company products available for uninterrupted operations and business activities.

Approval being sought for Financial Year 2021-22 As per the requirements of Regulation 23(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), all material related party transactions shall require the approval of Members through a Resolution. Further, the explanation to Regulation 23(1) of the SEBI Listing Regulations states that a transaction with a related party shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during the financial year, exceeds 10% of the annual turnover of the Company as per the last audited financial statements of the Company.

The estimated value of transaction with related party(s) for Financial Year 2021-22 will be Rs. 50 crore, which would breach the materiality threshold of 10% of the annual turnover of the Company as per last audited financial statements of FY 2020-21. Hence, to ensure uninterrupted operations of the Company, it is proposed to secure shareholders' approval for the related party contracts/ arrangements to be entered into with related party(s) during Financial Year 2021-22, as above mentioned of the Notice. For necessary information as required under Rule 15 of Companies (Meetings of Board and its Powers) Rules, 2014, members are requested to please refer Audited Annual Accounts of the Company for the financial year ended 31st March 2021.

Detail(s) about Arm's Length Pricing/ Ordinary Course of Business

The related party contract/transaction mentioned in this proposal meets the arm's length testing criteria and also qualifies as contract under ordinary course of business.

The said transactions have been recommended by the Audit Committee and Board of Directors of the Company for

consideration and approval by the Members.

None of the Directors, Key Managerial Personnel and their relatives other than Ms. Poonam Chouksey, Mr. Ashish Jaiswal, Mr. Anupam Chouksey, Mrs. Pooja Shri Chouksey and her relatives are, in any way, concerned or interested in the said Resolutions.

Item No 10:

The Chairperson informed that in order to facilitate fund raising in the future via right/preferential issue of equity shares of the company it is necessary to increase the authorized share capital of the company and to perform consequent amendments to the Memorandum of Association of the Company.

Increase in authorized share capital would necessitate amendment to clause V of Memorandum of Association of the company and require approval of members by passing as ordinary resolution.

Your Board of Directors therefore recommends the Ordinary resolution for approval of the members as set out in Item No. 10 in resolution.

None of the Directors, Key Managerial Personnel of the Company and their relatives are concerned or financially interested in the aforesaid resolution, however they may be deemed to be interested financially or otherwise to the extent of their directorship or their shareholding by them.

Item No 11:

The financial performance of the Company in the financial year ended 31 March, 2021 did not meet expectations and it is possible that the Company will also have inadequate profits in the financial year 2020-21

Under Section 197 of the Companies Act, 2013, if in any financial year a company has no profits or its profits are inadequate, payment of remuneration to its directors including any managing or whole time director (exclusive of sitting fees payable to directors) may be made only in accordance with the provisions of Schedule V. Section II of Schedule V to the Companies Act, 2013 provides that where in any financial year during the currency of tenure of a managerial person, a company has no profits or its profits are inadequate, it may without Central Government approval, pay remuneration to the managerial person not exceeding the limits set out below:

(1)	(2)
Where the effective capital is	Limit of yearly remuneration payable shall not exceed (Rupees)
i. Negative or Less than 5 Crores	60 Lakhs
ii. 5 Crore & above but less than 100 Crores	84 Lakhs
iii. 100 Crores & above but less than 250 Crores	120 Lakhs
iv. 250 Crores & above	120 Lakhs plus 0.01% of the effective capital in excess of 250 Crores.

Hence, consent of members is sought for payment of remuneration to Ms. Poonam Chouksey as may be decided by Board of Directors but not exceeding 84 Lakhs in case of no profits or its profits are inadequate.

The management of the Company believes that the remuneration proposed for payment to Ms. Poonam Chouksey is justified in terms of her role and contribution within the Company.

Accordingly, the Board recommends the resolution set forth in item no. 9, for the approval by the members of the Company by way of Special Resolution.

None of the Directors, Key Managerial Personnel and their relatives other than Mrs. Poonam Chouksey and her relatives are, in any way, concerned or interested in the said resolutions.

INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT

To the Members of Parvati Sweetners and Power Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Parvati Sweetners and Power Limited, which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at March 31, 2021, and profit/loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of

accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We

describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

1. We have observed certain long aged Balances in both assets and liability side under the head of sundry debtors, Sundry Creditors and loans and advances where no movement is there , also we are unable to get any direct/indirect confirmation on those balances therefore we are of the opinion that these balances shall be written off/written back, management has assured us to take the steps in regard in FY 2021-22, although we have not modified our opinion considering the amount of net impact of those balances on the standalone Financial Statements.

2. We are unable to obtain direct/indirect confirmation w.r.t closing balances as well as transactions if any in 6 bank accounts totaling to Rs 917233/-

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2013 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure 2.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company

Annexure 2 to the Independent Auditor's Report of Even Date on the Financial Statements of Parvati Sweeteners & Power Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

We have audited the internal financial controls over financial reporting of Parvati Sweeteners & Power Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning Of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of Standalone Financial Statements for the year ended 31st March 2021

(All amounts are in Indian Rupees unless otherwise stated)

A. Corporate Information

Parvati Sweetners & Power Limited (the Company) was incorporated as Parvati Sweetners & Power Private Limited on 13th December, 2011 and later converted into a Public Limited Company on 24th January 2012 and its shares are listed on Bombay Stock Exchange (BSE). Parvati Sweetners and Power Limited is a manufacturer of Sugar, and its by-products. The company has its registered office in Indore, Madhya Pradesh. The company has a Sugar, its by-products manufacturing plant at Village Sankhini, Tehsil Bitarwar, Dist : Gwalior.

B. Significant accounting policies

a. Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015, read with section 133 of the Companies Act, 2013.

b. Basis of Preparation:

The financial statements have been prepared on accrual basis and under the historical cost convention except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The financial statements including notes thereon are presented in Indian Rupees ("Rupees" or "INR"), which is the Company's functional and presentation currency. All amounts disclosed in the financial statements including notes thereon have been rounded off to the nearest Rupee as per the requirement of Schedule III to the Act, unless stated otherwise.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

c. Inventories

Inventories are valued at lower of cost and net realisable value, except scrap are valued at net realisable value. Cost of inventory is arrived at by using Moving Average Price Method. Cost of inventory generally comprises of cost of purchase, cost of conversion and other cost incurred in bringing the inventory to their present location and condition.

By products and Saleable scraps, whose cost is not identifiable, are valued at estimated net realisable value.

d. Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company assesses its revenue arrangements against specific criteria, i.e., whether it has exposure to the significant risks and rewards associated with the sale of goods or the rendering of services, in order to determine if it is acting as a principal or as an agent. Revenue is recognised, net of trade discounts, and taxes, as applicable.

(i) Revenue recognition Sale of Goods

Revenue from Sale of goods is recognised at the time of transfer of substantial risk and rewards of ownership to the buyer for a consideration. It includes excise duty and cess and excludes GST, Sales Tax / VAT, Trade discounts and rebates.

(ii) Operation and Maintenance Income

Income from services is recognized as they are rendered (based on arrangement / agreement with the concern customers).

(iii) Dividend and Interest income

Dividend income from investments is recognised when the right to receive dividend has been established. Interest income

recognised on accrual basis. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

e. Property, Plant and Equipment

(i) Property, plant and equipment Recognition and measurement

Items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price inclusive of duties, taxes, after deducting trade discounts and rebates, incidental expenses, erection/ commissioning expenses, borrowing cost, any directly attributable cost of bringing the item to its working condition for its intended use and costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate components of property, plant and equipment.

A fixed asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss.

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any, Free hold land is measured at cost.

The cost of property plant and equipment comprises its purchase price net of any trade discount and rebates, any import duties and other taxes, any directly attributable expenditure on the asset ready for its intended use including relevant borrowing cost.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

(ii) Capital work in progress

Assets under erection/installation are shown as "Capital work in progress", Expenditure during construction period are shown as "pre-operative expenses" to be capitalized on erection/installations of the assets.

(iii) Depreciation

Depreciation on fixed assets is provided in the manner specified in Schedule II to the Companies Act, 2013 except based on technical evaluation the useful life of Solar power generation plant is considered 25 years which is different from that prescribed in schedule II of the Act. Depreciation of an asset is the difference between Original cost / revalued amount and the estimated residual value and is charged to the statement of profit and loss over the useful life of an asset on straight line basis. The estimated useful life of assets and estimated residual value is taken as prescribed under Schedule II to the Companies Act, 2013.

Depreciation on additions during the year is provided on pro rata basis with reference to date of addition/installation. Depreciation on assets disposed /discarded is charged up to the date on which such asset is sold. Freehold land and Assets held for sale are not depreciated.

f. Intangible assets

Intangible assets are held at cost less accumulated amortisation and impairment losses. Intangible assets developed or acquired with finite useful life are amortised on straight line basis over the useful life of asset

The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

Intangible assets - Computer software's are amortized over a period of 3 years.

g. Impairment of non-current asset

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use).

The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

h. Foreign currency transactions and translations

(i) All transactions in foreign currency are recorded at the rates of the exchange prevailing on the dates when the relevant transactions took place; any gain/ loss on account of the fluctuations in the rate of exchange is recognized in the statement of Profit and Loss.

(ii) Monetary items in the form of loans, current assets and current liabilities in foreign currencies at the close of the year are converted in the Indian currency at the appropriate rate of exchange prevailing on the dates of the Balance Sheet. Resultant gain or loss on account of fluctuation in the rate of exchange is recognized in the statement of Profit and Loss.

(iii) Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated in to functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

i. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments. When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favorable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

The Company has chosen to present grants related to an asset item as other income in the statement of profit and loss.

j. Employee benefits

Defined Contribution plan

Provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense when an employee renders the related service.

k. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

l. Segment Accounting Policies

(i) The company has disclosed business segment as the primary segment. Based on the criteria mentioned in Ind AS 108 "Operating Segment" the company has identified its reportable segments.

The Chief Operating Decision Maker (CODM) evaluates the company's performance and allocates resources based on an analysis of various performance indicators by operating segments. The CODM reviews revenue and gross profit as performance indicator for all of the operating segments.

The Company has no reporting segment

m. Leases

Company as a lessee

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risk and rewards of ownership of the asset to the company. All the other leases are classified as operating leases.

Operating lease

Operating lease payments are recognized as expenditure in the Statement of Profit and Loss on a straight-line basis, unless another basis is more representative of the time pattern of benefits received from the use of the assets taken on lease or the payments of lease rentals are in line with the expected general inflation compensating the lessor for expected inflationary cost. Contingent rentals arising under operating leases are recognized as an expense in the period in which they are incurred.

n. Tax Expenses Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

For operations carried out under tax holiday period (80IA benefits of Income Tax Act, 1961), deferred tax assets or liabilities, if any, have been established for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with the asset will be realised.

o. Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the

occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the financial statements

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognized, but its existence is disclosed in the financial statements.

p. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

(i) Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(ii) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. On initial recognition, the company makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

(iv) Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

(v) Impairment of financial assets (other than at fair value)

The company assesses at each date of balance sheet whether a financial asset or a company of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

Financial liabilities and equity instruments Classification as debt or equity Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(vi) Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(vii) Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

(viii) Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to foreign exchange rate risks, including foreign exchange forward contracts.

(ix) Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in balance sheet when and only when, the company has a legally enforceable right to set off the amount and it intends, either to settle them on net basis or to realise the asset and settle the liability simultaneously.

q. Investment in Subsidiaries

Investment in subsidiaries are measured at cost as per Ind AS 27 – Company have no Subsidiary.

r. Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

s. Cash Flow Statement

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

t. Earnings per equity share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

u. Use of critical estimates, judgements and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

(i) Property, plant and equipment

On transition to IND AS, the Company has adopted optional exemption under IND AS 101. On Property, plant and equipment depreciation charged on cost amount less estimated salvage value.

Property, plant and equipment also represent a significant proportion of the asset base of the Company. Therefore, the estimates and assumptions made to determine their carrying value and related depreciation are critical to the Company's financial position and performance.

(ii) Intangibles

Internal technical or user team assesses the remaining useful lives of Intangible assets. Management believes that assigned useful lives are reasonable.

(iii) Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities.

The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

(iv) Contingencies

Management judgment is required for estimating the possible outflow of resources, if any, in respect of Contingencies / claim/ litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(v) Allowance for uncollected accounts receivable and advances

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible. Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

v. Mandatory exceptions applied Standards issued but not yet effective

Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 was issued in February 2015 and establishes a five-step model to account for revenue arising from contracts with customers. Under Ind AS 115 revenue is recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. The new revenue standard will supersede all current revenue recognition requirements under Ind AS. This standard will come into force from accounting period commencing on or after 1st April 2018. The company will adopt the new standard on the required effective date. During the current year, the company performed a preliminary assessment of Ind AS 115

Amendments to Ind AS 12 Recognition of Deferred Tax Assets for Unrealised Losses

The amendments clarify that an entity needs to consider whether tax law restricts the sources of taxable profits against which it may make deductions on the reversal of that deductible temporary difference. Furthermore, the amendments provide guidance on how an entity should determine future taxable profits and explain the circumstances in which taxable profit may include the recovery of some assets for more than their carrying amount.

Entities are required to apply the amendments retrospectively. However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening

retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity. Entities applying this relief must disclose that fact.

However, on initial application of the amendments, the change in the opening equity of the earliest comparative period may be recognised in opening retained earnings (or in another component of equity, as appropriate), without allocating the change between opening retained earnings and other components of equity. Ind AS 21, Foreign currency transactions

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 effective from April 1, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

These amendments are effective for annual periods beginning on or after 1 April 2018.

38. Corporate Social Responsibility

The company does not fall under section 135 of Corporate Social Responsibility

Note-39: 'Financial risk management objectives and policies

In its ordinary operations, the companies activities expose it to the various types of risks, which are associated with the financial instruments and markets in which it operates. The company has a risk management policy which covers the foreign exchanges risks and other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management policy is approved by the board of directors. The following is the summary of the main risks:

a) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates (currency risk) and interest rates (interest rate risk), will affect the companies income or value of it's holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Interest rate risk

Interest rate risk is the risk the the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rate. Fair value interest rate risk is the risk of changes in fair value of fixed interest bearing financial instrument because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing financial instrument will fluctuate because of fluctuations in the interest rates.

The Company's exposure to the risk of changes in market interest rates relates primarily to the borrowing from banks. Currently company is not using any mitigating factor to cover the interest rate risk.

Particulars	For the Year ended 31st March 2021	For the Year ended 31st March 2020
Interest rate risk exposure		
Borrowings from banks	41,62,82,770.00	32,84,29,726.00
Total borrowings	41,62,82,770.00	32,84,29,726.00

Interest rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rates for borrowing at the end of the reporting period and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in case of term loans that have floating rates. If the interest rates had been 1% higher or lower and all the other variables were held constant, the effect on Interest expense for the respective financial years and consequent effect on companies profit in that financial year would have been as below:

Particulars	For the Year ended 31st March 2021	For the Year ended 31st March 2020
Impact on Profit or Loss for the year decrease	41,62,827.70	32,84,297.26
Impact on Profit or Loss for the year Increase	-41,62,827.70	-32,84,297.26

ii) Foreign currency risk

Company Have No Foreign Currency Exposure

(b) Credit risk

"Credit risk is the risk that arises from the possibility that the counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Financial assets that are subject to such risk, principally consist of trade receivables, Investments and loans and advances. None of the financial instruments of the company results in material concentration of credit risk. Financial assets are written off when there is no reasonable expectation of recovery, however, the Company continues to attempt to recover the receivables. Where recoveries are made, these are recognised in the Statement of Profit and Loss. The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date."

"Trade and other receivables

To Manage trade and other receivables, the company periodically assesses the financial reliability of customers, taking in to account the financial conditions, economic trends, analysis to historical bad debts and ageing of such receivables."

The ageing analysis of the trade receivables has been considered from the date the invoice falls due

"Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counter-parties that have a good credit rating. The Company does not expect any losses from non-performance by these counter-parties apart from those already given in financials, and does not have any significant concentration of exposures to specific industry sectors or specific country risks."

(c) Liquidity risk

"Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company has obtained fund and non-fund based working capital lines from various banks. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, process and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling forecasts on the basis of expected cash flows."

"To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation for each level is given below.

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable Level

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable."
